### **Trustees Committee Needs at Least two new members**

A Message from Pastor Matt

The Trustees Committee is in need of at least two new members and your Nominations Committee will be addressing this need at the beginning of March. Would you be interested? Let's talk! Email me or call me about it. It is an important need in the life of St. John's and we want to be proactive in filling these spots. Take a look below at a description of what the Trustees Committee does in the life of the church. Serving on committees is a great way to serve St. John's and get to know people.

#### **Description:**

The Trustees, subject to the direction of the charge conference, and in consultation with the minister, have oversight and care of all local church property, buildings, and equipment to further the mission of the church. Effective trustees will function as Christian stewards of the property God has entrusted to the congregation. This includes:

- Supervising and maintaining the physical property of the congregation
- Gifts made to the congregation so that the ministries of the congregation can be effective
- All legal requirements related to the property

Useful knowledge and skills for this position include:

- Knowledge of property and asset management
- Ability to listen to and communicate with people
- Ability to work with other ministry leaders
