Prelude

What a Friend We Have in Jesus
arr. Penny Rodriguez

Call to worship

Call: Like Abram and Sarai, God calls us to go into the unknown, trusting that God's promises are true.

Response: Whether we are certain or full of doubts, God blesses us that we may be a blessing.

Call: God sends us into the world to journey by faith, believing that God's blessings are greater than anything we can imagine.

Response: Whether the path is straight or winding, God blesses us that we may be a blessing.

Call: God gathers us today with trusted companions, those who also follow God's call, even when it does not make sense to the world around us.

Response: Whether we journey with friends or feel all alone, God blesses us that we may be a blessing.

Call: As we gather to worship, may we remember that we are God's people, blessed by God to be a blessing to our world that is hurting and desperately in need of good news.

Response: God, form us today as a family of faith, that your blessings might flow out of us and into our world, drawing all people into your promise of abundant life and flourishing. Amen.
